

Storage Silo. FAC: 4426

CATCODE: 442621

OPR: AFCEC/COS

OCR: N/A

1.1. **Description.** A building used for storage of various materials for installation use. This may include items such as road salt, cinders, sand, or grit used for road treatment during inclement weather or wood pellets used as fuel for heating plants.

1.2. A defined facility standard is not currently available for this CATCODE. By default, all requirements are user justified until a standard is established or adopted.
