Update: 09 NOV 2022

1.1. Description. This facility requirement is generated by programs and activities associated with nonappropriated fund entities established under AFJI 34-122, *Civilian Nonappropriated Funds and Morale, Welfare, and Recreation Activities*, established to operate revenue producing activities primarily for base civilian employees. A portion of the profit from the restaurant fund revenue producing activities is used to provide a source of income for the installation civilian welfare fund.

1.1.1. AFJI 34-122 provides guidance on acceptable programs and facility descriptions. There are no standard programs except that certain activities are prohibited by AFJI 34-122. For example, civilian nonappropriated funds may not be used to finance approved facilities and services normally provided from appropriated funds. Also, excluded from fund support are the special interest clubs or groups established under AFI 34-223 *Private Organizations (PO) Program*, to serve purposes other than those for which civilian nonappropriated funds are primarily intended.

1.2. Requirements Determination. Facility requirements to support approved activities are developed by the base restaurant fund council. The major commander approves facility requirements for base restaurant funds.

1.3. Scope Determination. Contact OPR for latest requirements and guidance.

1.4. Design Considerations. At overseas installations (excluding Hawaii, Alaska, and the Panama Canal Zone), approved activities exclude any activity normally supported by joint-use military/civilian employee facilities. Most base restaurant fund and base civilian welfare fund facility acquisitions involve space or facilities excess to military requirements.
