1.1. **Description.** A building (or portions thereof) that provides space to conduct indoor classroom instruction at organizational level. Such training facilities are used exclusively for organizational training activities. Classrooms may include storage and issue areas for educational materials, movable partition walls, stage, and projection room. Classroom areas within a battalion headquarters building, trainee barracks, and so on, as well as stand-alone buildings serving this purpose, should be accounted for using this category code. Learning resource centers and military occupational specialty (MOS) libraries are often considered part of the organizational classroom space.

1.2. A defined facility standard is not currently available for this CATCODE. By default, all requirements are user justified until a standard is established or adopted.
