

## **Observation Tower/Bunker. FAC: 1734**

CATCODE: 173421

OPR:

OCR:

1.1. **Description.** A structure designed to provide a protected view of a target area from ground level. Bunkers are used for close observation of artillery impacts. This structure does not require automation. Standard facilities are not required for this structure.

1.2. A defined facility standard is not currently available for this CATCODE. By default, all requirements are user justified until a standard is established or adopted.
