

Mine Warfare Area. FAC: 1790

CATCODE: 179021

OPR:

OCR:

1.1. **Description.** A cleared area for training in the placement, arming, disarming, and detection of vehicle and antipersonnel mines using non-explosive training material. Any open area with soil suitable for digging shallow holes for the placement of the mines would be satisfactory.

1.2. A defined facility standard is not currently available for this CATCODE. By default, all requirements are user justified until a standard is established or adopted.
