Rappelling Training Area. FAC: 1790

CATCODE: 179027
OPR:
OCR:

1.1. **Description.** A training area that includes at least one structure used to practice rappelling (rope descent). The training area may also include modified towers for training in helicopter rappels.

1.2. A defined facility standard is not currently available for this CATCODE. By default, all requirements are user justified until a standard is established or adopted.
