CATCODE: 740387

OPR: AAFES

OCR: N/A

Updated: 09 NOV 2022

1.1. **Description.** This facility provides warehouse space for the installation's main retail store.

1.2. **Requirements Determination.** The space requirements are based on a percentage of the space authorized for the installation's main retail store, **CATCODE 740388**.

1.3. **Scope Determination.** In CONUS, the warehouse space may not exceed 33 percent of the authorized retail store space. In Alaska, Hawaii, and overseas, it may not exceed 50 percent.

1.4. **Design Considerations.** Where practicable, locate the installation exchange warehouse contiguous to the exchange main retail store to reduce the cost of moving stock from the warehouse to the main store sales area.
