MEMORANDUM FOR DISTRIBUTION

FROM: NGB/A7

SUBJECT: ANG Engineering Technical Letter (ANGETL) 12-07, Preparation of Project Documentation Package

TO: SEE DISTRIBUTION

1. PURPOSE: This ANGETL is a companion to ANGETL 12-05, Design and Construction Handbook. This ANGETL provides guidance to the Base Civil Engineer (BCE) for preparing documentation for Military Construction (MILCON) and Sustainment Restoration and Modernization (SRM) projects at the beginning of the design process. This documentation is provided to the A-E at the beginning of the design process. It applies to projects utilizing an Architect Engineer (A-E) in the design, bid, and build environment for NGB and locally approved projects.

* This ANGETL should be read in conjunction with the ANGETL 12-05, Design and Construction Handbook.

2. APPLICATION:

   2.1 Effective Date: Immediately

   2.2 This ANGETL is a companion to ANGETL 12-05, Design and Construction Handbook and supersedes ANGETL 90-06 Project and Program Management Handbook, ANGETL 90-08 Project and Program Management Handbook Update, ANGETL 93-07 Project Documentation Preparation, ANGETL 93-08 Base Review and Criteria Review Conferences and ANGETL 93-12 The Design Process.
