MEMORANDUM FOR DISTRIBUTION

FROM: NGB/A7

1. PURPOSE: This ANGETL prescribes the authorities and processes for procuring architect-engineer (A-E) services for the Air National Guard (ANG).

2. APPLICABILITY: This ANGETL shall be used by Base Civil Engineers (BCEs) and contracting officers in the selection of single-use or indefinite delivery indefinite quantity (IDIQ) contracts. This ANGETL does not provide the procedures to be followed in determining which of the National IDIQ A-E firms is the most highly qualified to perform services for a particular project. This information can be found in the “How to Use the National A-E IDIQ Contracts” document at https://gkoportal.ng.mil/ngb/STAFF/D01/D01/National%20Contracts/Forms/AllItems.aspx.

3. COORDINATION: This ANGETL is a coordinated action with the National Guard Bureau Office of the Principal Assistant Responsible for Contracting (NGB-OPARC).

4. EFFECTIVE DATE: Immediately.

5. This ANGETL supersedes ANGETL 99-1.
