Subject: Unified Facilities Criteria 4-022-01, Security Engineering: Entry Control Facilities/Access Control Points

Applicability: Guidance

1. The subject UFC was issued 25 May 2005. It can be viewed and downloaded through the UFC website at: http://65.204.17.188/report/doc_ufc.html

2. This UFC provides guidance for designing Entry Control Points and Access Control Points into military installations. When designing Access Control Points into Army Installations, the guidance in the UFC should be used to supplement the requirements in the Army Standard Design for Access Control Points, approved on 14 December 2004. The standard design can be viewed and downloaded from the PDC website at: https://pdc.usace.army.mil/library/

3. UFC 4-022-01 is approved for public release; distribution is unlimited.

4. The point of contact for this bulletin is John Trout, CENWO-ED-S, 402-607-2413.
