ENGINEERING AND CONSTRUCTION BULLETIN

No. 2006-13

Issuing Office: CECW-E

Issued: 28 September 2006

Subject: MILCON Transformation- Model RFP Guides

Applicability: Mandatory Guidance

1. The purpose of the MT RFP Guides is to provide consistency in the preparation, evaluation, and administration of the Model RFP.
2. The Implementation Guide provides mandatory guidance for developing the “Request For Proposal” documents for all MILCON projects utilizing the Model RFP. Additionally, the guide provides background information on MILCON Transformation, Information on Type of Construction, Program Intent, Implementation Do’s and Don’ts, and Planned Path Forward. The Evaluation Guide and sample Source Selection Plan provide an overview of the formulation and administration related to the evaluation and selection procedures in the Model RFP. The Field Guide provides information on the administration after award process and associated portions of the Model RFP.
3. These are living documents and will continue to be updated as lessons learned are collected. The subject guides and the latest model RFP can be viewed and downloaded through the USACE Public FTP site at: <ftp://ftp.usace.army.mil/pub/hqusace/MILCON%20Transformation/>
