ENGINEERING AND CONSTRUCTION BULLETIN

No: 2007-20

Issuing Office: CECW-CE

Issued: 30 Oct 2007

Subject: Clearance Waiver for Power and Communication Lines over Reservoirs

Applicability: Directive

1. ER 1110-2-4401 titled "Clearances for Electric Power Supply Lines and Communication Lines over Reservoirs", paragraph 6a (6), now requires that all considerations for installing power and communication lines below minimum vertical clearances stated in the regulation be submitted to CDR, USACE for review and approval. Effective immediately, this ECB changes the review and approval authority from CDR, USACE to the District Commander. ER 1110-2-4401 will be revised to reflect this change in the near future.

2. Point of contact for this ECB is Dan Casapulla, 202-761-4227.
