ENGINEERING AND CONSTRUCTION BULLETIN

No. 2007-25

Issuing Office: CECW-CE

Issued: 20 Dec 2007

Subject: Re-approval of the Heating, Ventilating, and Air-Conditioning (HVAC) Directory of Expertise (DX)

Applicability: Information

1. Reference ER1110-1-8158, Corps Wide Centers of Expertise Program, 16 January 1998.
2. In accordance with ER1110-1-8158, the Huntsville Center has been re-approved as the HVAC DX.
3. The HVAC DX includes the following individuals: Sandy Wood (CEHNC-ED-ME-M), Randy Miller (CEHNC-ED-ME-M), David Aldridge (CEHNC-ED-ME-M) and Rod Bridgeman (CEHNC-ED-ME-M).
4. The HVAC DX maintains state-of-the-art technical expertise regarding all types of HVAC systems for use on Army, Air Force and Corps facilities. This expert knowledge includes, but is not limited to equipment, instrumentation, strategies and concepts for design and testing of HVAC systems, inspection techniques, specification development, failure analysis, formal training, operations and maintenance assistance, consulting and expert witness; as well as environmental and safety issues relating to HVAC systems.
5. The HVAC DX proponent and POC for this ECB is Gary Bauer, 202-761-0505.
