

**US Army Corps
of Engineers®**

ENGINEERING AND CONSTRUCTION BULLETIN

No. 2007-9

Issuing Office: CECW-CE

Issued: 02 May 2007

Subject: CCASS Policy Guide

Applicability: Policy

1. On October 1, 2005 the Corps of Engineers' Construction Contract Administration Support System (CCASS) was modernized and moved to the Navy's Contractor Performance Assessment Reporting System (CPARS) platform. The Corps of Engineers remains the executive agent for CCASS.
2. The CCASS Policy Guide is available on the CPARS web site at the following address: <http://cpars.navy.mil/cparsfiles/pdfs/CCASSPolicyManual.pdf>. The guide sets policy, assigns responsibilities, and provides procedures for systematically assessing contractor performance as required by FAR part 36. All users of CCASS are requested to start using it immediately and internal USACE policy and guidance (ER's etc.) will be revised to comply with this new policy.
3. For additional clarification, or CCASS questions contact Marilyn Kells, 503-808-4590.
4. HQUSACE Point of Contact (POC) for this ECB is Harry Goradia, , 202-761-4736.
