

**US Army Corps
of Engineers®**

ENGINEERING AND CONSTRUCTION BULLETIN

No. 2008-31

Issuing Office: CECW-CE

Issued: 3 December 2008

Subject: Identification of the new website for the Centers of Standardization.

Applicability: Information

1. Purpose: This ECB is to identify the new website for the Centers of Standardization program. This site is an open site that can be accessed without a password or CAC card from any computer and can be found at the following link:

<https://eportal.usace.army.mil/SITES/COS/Pages/Default.aspx>

2. This website will be used by the COS to disseminate all the necessary information related to Military Transformation process and standard design development. On this site you will find internet website links to other pertinent information; all pertinent policy and procedure documents; points of contact at all the USACE COS and USACE Headquarters; and all the necessary information pertaining to each standard facility type.

3. This ECB applies to all MSCs, Centers, Districts and Subordinate offices working Military Construction Programs.

4. HQUSACE POC for this action is Mr. Scott C. Wick, CECW-CE-D, 202-761-7500, Scott.C.Wick@usace.army.mil

FOR THE COMMANDER:

//S//

JAMES C. DALTON, P.E.
Chief Engineering and Construction
Directorate of Civil Works
