**Subject: New Faces of Engineering Nominees and USACE 2008 Federal Engineers of the Year**

**Applicability:** Information

1. I would like to congratulate the winners of the USACE Federal Engineer of the Year shown below. They were selected based on their outstanding contribution to the field of engineering and were nominated for the National Society of Professional Engineers (NSPE) Federal Engineer of the year awards program. Both of the USACE Federal Engineers of the Year winners will be recognized at a NSPE sponsored awards program on 21 February 2008 in Washington, D.C.
