Applicability: Guidance

1. Purpose. The purpose of this Engineering and Construction Bulletin (ECB) is to provide the references, suspense date, eligibility criteria, and submission requirements for the 2012 Hard Hat of the Year (HHY) Award and the Construction Management Excellence (CME) Award.
2. Nomination and Selection Process. Each USACE Major Subordinate Command (MSC) and Center may nominate one individual for the USACE Hard Hat of the Year Award, and one individual for the USACE Construction Management Excellence Award.
