# ENGINEERING AND Construction Bulletin

**No. 2012-24**

**Issuing Office: CECW-CE**

**Issued: 21 Sep 2012**

**Expires: 21 Sep 2014**

**Subject:** Sustainability & Energy / Centers of Expertise Website Launched

**Applicability:** Information

1. Purpose: This bulletin announces the launch of the USACE Sustainability & Energy (S&E) Portal website. The S&E Portal was created to connect USACE employees to our MSC Regional Sustainability & Energy Centers of Expertise (Cx). The website contains applicable training, policy guidance, sustainability initiatives, news, and best practices for Cx topics such as: energy/water/waste reduction, commissioning, energy modeling, renewable energy, and life cycle cost analysis, among others.
2. Access: The S&E Portal is open to the public and does not require login information. Individuals from the MSC Regional Centers of Expertise are able to create, edit, and maintain content on their respective pages. The website address is:  
<https://mrsi.usace.army.mil/sustain/SitePages/Home.aspx>
3. Applicability: This ECB applies to all MSCs, Centers, Districts and Subordinate offices working Military Construction Programs.
4. POC: HQUSACE POC for this action is Mr. George O. Lea, 202-761-7775, [George.O.Lea@usace.army.mil](mailto:George.O.Lea@usace.army.mil). Alternate POC is Ms. Paula J. Loomis, 202-761-7526, [Paula.J.Loomis@usace.army.mil](mailto:Paula.J.Loomis@usace.army.mil).
