**Subject: USACE New Faces of Engineering and USACE Federal Engineer of the Year Award Winners for 2012**

**Applicability:** Information

1. PURPOSE: This ECB highlights the USACE Federal Engineer of the Year (FEYA) Award winners and top five USACE winners for the New Faces in Engineering Awards for 2012.

2. I would like to congratulate the winners of the USACE Federal Engineer of the Year shown below. They were selected based on their outstanding contribution to the field of engineering and were nominated for the National Society of Professional Engineers (NSPE) Federal Engineer of the year awards program. Both of the USACE Federal Engineers of the Year winners will be recognized at a NSPE sponsored awards program on February 23, 2012 in Washington, D.C.
