Issuing Office: CECW-EC

Issued: 15 Nov 23

Expires: 15 Nov 25

SUBJECT: 2024 USACE Engineering and Construction Awards Nomination Requirements

CATEGORY: For Information.

1. **Purpose.** This Engineering and Construction Bulletin (ECB) provides the suspense dates and links to references for eligibility criteria and submission requirements for the Chief of Engineers Award of Excellence Program (AEP) and all award categories sponsored by the Engineering and Construction (E&C) Community of Practice (CoP).

2. **Applicability.** The Chief of Engineers AEP & E&C CoP Awards nominations share a common suspense date of 21 February 2024. The Chief of Engineers AEP nominations require the local Commanding Officer's endorsement before the 21 February suspense date. For the E&C CoP Awards, the Major Subordinate Command (MSC) review and endorsement have the suspense date of 27 March 2024. Awardees for both programs will be announced in June.

3. **The Chief of Engineers AEP.** This award program recognizes excellence in design, construction, and sustainability achievement by the USACE Geographic Districts, Centers, Laboratories and Field Operating Activities. The recognized projects and professional works should reflect a wide range of skills, innovation and commitment to deliver quality projects for our nation and the Armed Forces. Additionally, these awards demonstrate an enhanced commitment to our Communities of Practice as the basis for our technical leadership.
