Viking

SIGNATURE WARRANTY

We proudly build Viking appliances in Greenwood, Mississippi. So proudly, in fact, we offer the industry's only full three-year warranty on our Professional Series* products. We're as passionate about building Viking products as chefs are about cooking with them. We innovate. We over-engineer. And then we use high-grade, heavy-duty materials to create the most powerful products available. At Viking, it's more than just steel on the line. It's our pride.

**Effective on Professional Series products purchased on or after May 1st, 2011. Undercounter refrigeration and ice machines excluded.*
