Quantity: 1

Key features

- Solid wood; gives a natural feel.
- Separate shelf for storing magazines, etc.  
Keeps your things organized and the table top clear.

Designer thoughts

"My idea when I designed HEMNES was to make a simple, beautiful and rustic series for the living room with a finish that brings out the genuine wood feeling. I also wanted the furniture to be functional, with practical storage, and work both alone and together in different combinations. Another good thing is that the series is available in several finishes, so you can create your own style at home - warm and cozy or perhaps timeless with a nautical appeal."  
Designer Carina Bengs
