04:56 Average time to complete

Active Status

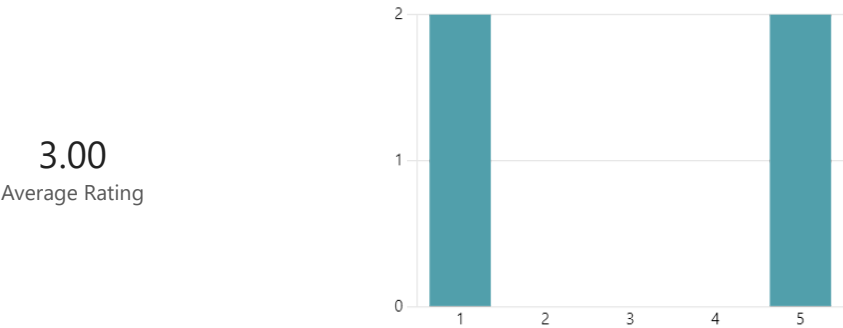

1. When did you learn that the department would be temporarily moving, and was this notice early enough?

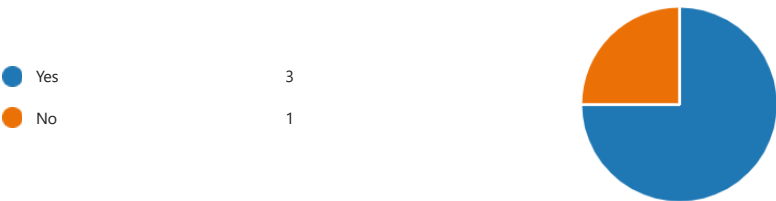

2. How did you find the department's new temporary location? (check all that apply)

3. How difficult was it to find the department's new temporary location? (1 means the easiest. 5 means the hardest.)

4. Did you feel you had all the information you needed regarding the department's move to the new temporary location?

5. What other information would have made the transition to the new temporary location easier?
